

San Francisco Atheists

Need a break from leftovers and football? Then join us this Saturday when we bring back a favorite from this year's Atheist Film Festival for your viewing pleasure: *THE LORD IS NOT ON TRIAL HERE TODAY* – a Peabody & Emmy Award-winning documentary that tells the compelling personal story of the late Vashti McCollum, one courageous woman who stood up against all odds and changed American society forever and for the better in one of the most important and landmark First Amendment cases in U.S. Supreme Court history - the separation of church and state in public schools. Come join your fellow heretics for good company and a great film and discussion.
