

## San Francisco Atheists

In October of 2008, local atheists rallied at the Mormon temple in Oakland to protest the church's support and funding of Proposition 8, which restricted marriage to between a man and a woman. In 2010, the documentary film '**8: A Mormon Proposition**' was released, examining the role of the LDS church in the passage of Prop. 8 and its ongoing suppression of LGBT rights. In light of the recent Supreme Court rulings on both Prop 8 and DOMA, we are featuring this documentary film at our monthly meeting, with discussion to follow.
