

San Francisco Atheists

We are excited to team up with Modern Times Bookstore to celebrate the launch of **Greta Christina's** new book ***Coming Out Atheist***.

"Coming out as an atheist is a powerful, liberating act. It makes life better for yourself, for other atheists, and for the world. But telling people you're an atheist can be risky. What are the best ways to do it? And how can we help each other take this step?

In this compassionate, friendly, down-to-earth how-to guide, popular author and blogger Greta Christina offers concrete strategies and guiding philosophies for coming out as an atheist. Based on hundreds of coming-out stories, the book offers a map of the territory atheists are likely to encounter—and ideas on how to pick the path that's best for you.

This accessible, empathetic guide reflects a wide range of atheist coming-out experiences.

For atheists who are already out, it gives practical ideas on how to help others join you in the sunlight. And for atheists who are on the fence, it offers guidance on making that decision—and gentle encouragement to take that step.

Inspiring and realistic, kind and powerful, *Coming Out Atheist* is the much-needed guidebook atheists have been waiting for."

Books will be available for signing and sale for \$17.95. The author is donating 10% of her income from this book to atheist organizations, charities, and projects.
