Jesus: Mything in Action

Join us this Saturday! David Fitzgerald's 2010 book, *Nailed: Ten Christian Myths That Show Jesus Never Existed at All*, showed all the ways the Christian origin story fails. Now, his new three-volume follow-up book, *Jesus: Mything in Action*, pulls the curtain on biblical studies, uncovers our evidence for Jesus, examines our sources, and takes us on a time-travel expedition through the evolution of Christianity. Join San Francisco Atheists as David Fitzgerald talks about all this and more.

Whatever you think about whether the "Real Jesus" existed or not, these books will surprise you and be an invaluable resource to discuss the issue.

Author David Fitzgerald has been a Bay Area atheist activist for over 20 years. He is an award-winning historical researcher who lectures internationally at universities and secular events. Sometimes called "the Ferris Bueller of San Francisco," he was the Co-founder and Director of both the world's first Atheist Film Festival (2009 - 2013) and San Francisco's oldest Darwin Day celebration, *Evolutionpaloosa!*, a co-founder of *The Godless Perverts Story Hour*, and a founding member of San Francisco Writer's Coffeehouse.

As a historical researcher, he has been actively investigating the Historical Jesus question for over fifteen years. He is also the author of *The Complete Heretic's Guide to Western Religion* series and *NAILED: Ten Christian Myths That Show Jesus Never Existed At All*.
